Thank you for visiting and shopping with us. Happy Holidays!

Welcome to the 2026 Gingerbread Tour!

This event was created and initiated by local business owner Pat MacBeth many years ago to focus on the talented artisans in the Sigel-Cook Forest area who created quality, distinctive and gorgeous hand-crafted items. Pat started with a handful of her close friends to begin a pre-holiday shopping experience as a means to enhance these vendors. She was quality conscious as she and the core members added new shops to expand and carry on the benchmarks of the festival in the corridor from Brookville to Leeper. The variety of shops helps develop the unique nature of our annual festival.

We have again included a listing of local restaurants to assist shoppers in locating quality and varied culinary selections to fit not only your shopping schedule and tastes during the day but also your relaxation time as you enjoy our area in the evenings.

We thank you for helping make our event a destination and hope you return and bring your friends to experience the Magic of the Forest.
